SAES Getters announces the closing of the acquisition of 50% shareholding in Memory-Metalle GmbH

*Memory-Metalle GmbH operates in the field of shape memory alloys.
The purchase price for the shareholding was €1.7 million.*

(May 30, 2006, Milan - Italy) SAES Getters S.p.A. today announced the closing of the acquisition of 50% shareholding in Memory-Metalle GmbH with Dr. Matthias Mertmann, major shareholder of the company, following the announcement dated March 1, 2006.

Memory-Metalle, located in Weil am Rhein, Germany, supplies shape memory alloys semifinished shapes and components for medical and industrial applications.

The purchase price was equal to €1.7 million in cash.

In 2005 Memory-Metalle sales were €1.1 million. The Company substantially broke even at operating and net level.

The acquisition of the shareholding in Memory-Metalle, a successful company especially in the medical field and complementary with SAES Getters Group activity, will contribute to the Group expansion in the shape memory alloys field, which is a promising area in the advanced materials business development unit.

Dr. Matthias Mertmann will remain as shareholder in the company and will continue to be Memory-Metalle Managing Director.

Pioneering the development of getter technology, the SAES Getters Group is the world leader in a variety of scientific and industrial applications where stringent vacuum conditions or ultra-pure gases are required. For 60 years its getter solutions have been supporting innovation in the information display and lamp industries, in technologies spanning from large vacuum power tubes to miniaturized silicon-based micromechanical devices, as well as in sophisticated high vacuum systems and in vacuum thermal insulation.

The Group also holds a leading position in ultra pure gas handling for the semiconductor and other hi-tech markets.

Starting in 2004, by leveraging the core competencies in special metallurgy and materials science, the SAES Getters Group has expanded its business into advanced material markets, with the introduction of new optical crystal, shape memory alloy and metalorganic precursor product lines.

A total production capacity distributed at 8 manufacturing plants across 3 continents, a worldwide-based sales & service network, over 800 employees allow the Group to combine multicultural skills and expertise to form a truly global enterprise.

SAES Getters is headquartered in the Milan area (Italy) and has been listed on the Italian Stock Exchange Market, STAR segment, since 1986.
